

Resident Spotlight: Curtis

Curtis is one of our newest residents and has already found a place in all of our hearts. Originally from California, Curtis moved to Nevada after retiring from his career as a

general contractor. Along with his wife, Lynn, they owned their own company, Wright Construction. When Curtis wasn't working on fixing houses, you would find him cruising the town on his motorcycle or spending quality time with his family. He loves to be social and walk and talk to everyone he greets. He will offer help to anyone who needs it. He loves to talk about his six children, and he is very proud of his five grandchildren and nine great grandchildren. His absolute favorite subject, however, is his loving wife. He has made friends with all of us here and we could not be more thrilled.

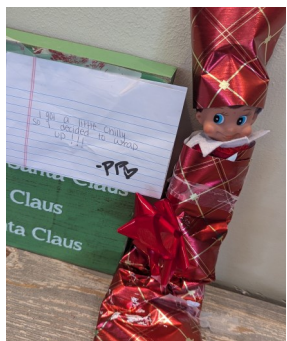

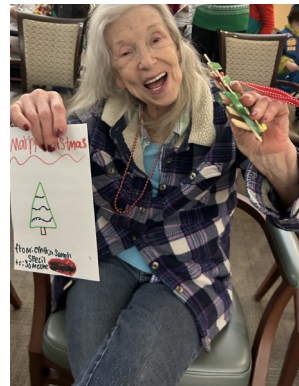

Team Member Spotlight: Madison

Madison came to us in September and has been a ray of sunshine ever since! She used to work at a restaurant while attending college at UNR. Her ultimate

goal is to become an RN, or more specifically a trauma nurse. The residents absolutely love her bright smile and positive energy. She is devoted and treats all residents like family. She is kind and always willing to help. We are truly grateful for having a wonderful person on our team!

moments captured

Tis the season! We have been having lots of fun this month, keeping our spirits bright! We've loved our new adventures with our elf Peppermint Patty, cookie baking, and decorating with ornaments made for our residents by the local Girl Scout Chapter. We are ending the year jolly and bright!
